Grayson Visits Executive to Plan Inaugural, Five Weeks Away

BUDGET TO BE STUDIED

Regulation of Industry and Other Tasks Considered

WASHINGTON, Dec. 16.—(UP)—President Roosevelt returned today to the task of shaping his second New Deal after a 13,000-mile "good neighbor" visit to South America.

In excellent health, the nation's chief executive faced three weeks of strenuous work before the new congress convenes Jan. 5. Fifteen days later he will be inaugurated for his second term.

Despite the heavy schedule, Mr. Roosevelt eliminated legislative and cabinet conferences from his program today to attend simple funeral services for his bodyguard and close friend, August "Gus" Gennerich. Gennerich died of a heart attack in Buenos Aires.

Grayson Visitor
Only White House visitor today will be Rear Admiral Cary T. Grayson, chairman of the inaugural committee. Grayson, the chief executive's friend since Mr. Roosevelt was an assistant secretary of the navy, directed the first inauguration ceremonies.

The chief executive will not return to his routine until tomorrow. Friday he will sit around a table with members of his cabinet to hear their reports of developments during his absence.

Congressional leaders who converged on the capital several days before the chief executive's return last night saw Mr. Roosevelt at Gennerich's funeral, but they probably will have to wait until next week to discuss the legislative program.

Mr. Roosevelt, in addition to formulating a legislative program for his second New Deal, must turn attention to foreign relations and his cabinet.

Neutrality laws passed by the last congress expire May 1, 1937. The administration plans to extend and at the same time bolster them in view of the increasingly alarming European situation.

During the chief executive's absence rumors persisted that several members of his cabinet would not be included in the personnel for the second administration. Those reported likely to leave include Postmaster General James A. Farley, Secretary of Commerce Daniel

The plaintiff claims she suffered contusions about the eyes, cuts on the upper lip and right ear, and numerous bruises with possible rib fractures. She says she is unable to walk and has suffered permanent injury to her neck and shoulders.

STATE TO BUILD FOUR MILES OF MAJOR HIGHWAY

Dangerous Section of Rt. 22 in Perry Township on Program for 1937

BIDS SOUGHT FOR JAN. 5

Project to Cost \$106,800, John Jaster Declares

Contemplated improvement of four miles of Route 22 between Williamsport and New Holland, to cost \$106,800.90, was announced Wednesday by John J. Jaster Jr., State highway director.

The road to be resurfaced has been the scene of numerous automobile accidents in recent months. Many residents of the western part of the county have protested that it is dangerous. The office of the Pickaway county engineer declared Wednesday that the curve was "eased" considerably several years ago, and that most of the wrecks have been due to carelessness and not the condition of the highway.

To Require 135 Days—The highway department will receive bids until noon Tuesday, Jan. 5, for the project which is expected to require 135 working days.

The entire project is in Perry township. The road will be resurfaced with natural asphalt, will be graded, drainage structures built, with roadside improvement included.

Laborers are to be obtained from the list of unemployed in the National Re-employment office, City building. Workers will be paid 75c cents an hour for skilled, 60 cents for intermediate, and 50 cents for unskilled.

The highway included in the program is state route 10 and national route 10, and is known as the Cincinnati-Zanesville pike.

FIRE DESTROYS VAULT COMPANY PLANT IN GALION

GALION, Dec. 16.—(UP)—A fire that started in the early morning hours from an undetermined cause destroyed the plant of the Perfection Burial Vault company here today. Loss was estimated at \$500,000 by Harry Cohen, president of the firm.

Fire companies from Galion, Bucyrus and Crestline fought the blaze for four and a half hours. Capt. George Moody of the police force discovered the fire while making his rounds at 2:30 a. m. A falling wall damaged the kitchen of the Hazlett restaurant next door. The home of Mary Grubbaugh also was damaged.

The plant, occupying 60,000 square feet, burned to the ground, destroying all machinery. The firm manufactures burial vaults, dump carts and other products and employs 115 persons. The loss was partly covered by insurance.

TURKEY SALES ALLOW MISSOURIANS CHANCE FOR COLLEGE WORK

KANSAS CITY, Mo., Dec.—(UP)—Jane Raup, 21, of Great Bend, Kans., revealed today that turkeys which she took time off from school to sell during holiday seasons paid costs of her brother Phillip's two years at Kansas university and will pay for her education.

Hopefully, she sold her largest flock, 400 birds, here and vowed that future sales also would enable her to send her younger brother, Rowland, 18, to the university.

Edward And Wally Disagree Over Plans Of Marriage, Austria Says

ENZESFELD, Austria, Dec. 16.—(UP)—Some sources at Enzesfeld castle reported today that Edward, Duke of Windsor, and Mrs. Wallis Simpson had disagreed on marriage plans.

Discussing in their nightly telephone talks their plans to marry after Mrs. Simpson obtains her final divorce decree, it was reported,

ed, she favors a stylish wedding in keeping with her future rank as a royal duchess while the duke wants a strictly simple, and even secret one.

Though it was said officially today that Mrs. Simpson will not come to Austria, reports were that this was at Mrs. Simpson's own insistence.

Edward was said to be becoming so restive at his exile without her,

that he was inclined to defy convention and urge her to come to Austria.

Each time the duke urges her to come to Austria, the report is, Mrs. Simpson opposes the idea firmly and Edward ends with: "All right — whatever pleases you goes."

A plan has been discussed, it is understood, for Edward to go to the Adriatic next month to cruise until Mrs. Simpson's divorce decree is made final. Then they would meet, probably at sea to avoid publicity.

Despite assurances, some sources see still the possibility of a brief meeting in Austria.

The duke is becoming adept at skittles, a form of nine pins, and continues to play golf. He spends some time each day running about the castle grounds with his Cairn terrier "Slipper." His reaction from the formality of his kingship is shown by his attire of plus fours, lumber jacket and open-necked flannel shirt.

It is reported that Edward is so angry at the attack made on him by the Archbishop of Canterbury that he has considered formally leaving the Church of England.

Sees Santa Early—He's to Die

SANTA CLAUS was scheduled to make a special visit to Omaha, Neb., nine days ahead of schedule—to see three-year-old Johnny Hernandez, little Mexican boy who can't wait until Christmas. Johnny will be dead Christmas. Physicians at the Omaha hospital say Johnny, suffering from a disease known as Ewing's cell sarcoma, similar to cancer, would die a few days before Christmas. The boy has been in the hospital for 10 months.

ICKES MAY ASK NEW HEARING OF UTILITY CHARGE

WASHINGTON, Dec. 16.—(UP)—Public Works Administrator Harold L. Ickes today considered asking the department of justice to seek a U. S. Supreme Court rehearing on the Duke Power company case attacking constitutionality of PWA's municipal power program.

The tribunal decided Monday that the litigation had been improperly tried and sent it back to federal district court, delaying a definite decision on the private-public ownership issue for probably a year.

Meanwhile, 52 power projects financed by some \$50,000,000 in PWA loans and grants, must remain idle. Ickes is anxious either to start construction of the developments if they are legal, or cancel his allotments if they are invalid.

Inasmuch as the court remanded the Duke case on a technicality, he was considering a request to the justice department that its attorneys seek a new hearing.

Ickes claimed that utilities, with the government-financed projects tied up, would seek to delay a new test by "dilatory tactics."

AUTOISTS FINED FOR FAILURE TO DISPLAY PERMIT

Ralph Nixon, 73 Dakota avenue, Columbus, was assessed \$25 and costs, amounting to \$38.15, Tuesday night by Mayor W. J. Graham in the first case in local courts for failure to produce a driver's license.

The charge, filed by Miller Fissett, deputy sheriff, grew out of an auto accident early Tuesday on Route 23 about five miles north of Circleville. Nixon made arrangements to pay.

POPE HAS GOOD NIGHT, VATICAN REPORTS TODAY

VATICAN CITY, Dec. 16.—(UP)—Pope Pius had a restful sleep last night and his condition today continues satisfactory, Vatican officials said.

It was understood that his holiness, who is suffering from a urenic disorder, insisted that he be permitted to receive more visitors every day.

Prof. Arminta Milani, his personal physician, said he would consider the request.

Yesterday the holy father received Monsignor Jorio and Governor Serafini. For several days he has been seeing only Cardinal Pavelli, his secretary of state.

Intimates said the pope thought the conversations and two additional visitors had done him much good.

CITY TEACHERS TO DIVIDE \$850 AS YULE BONUS

Circleville's school teachers are going to receive Christmas bonuses amounting to four per cent of their salaries for the period from the opening of school in September to Jan. 1.

The bonuses will range from \$12.14 to \$28, members of the Board of Education announced, and aggregate about \$850. No bonuses will be paid the superintendent or principal since they do not participate under the Foundation's program.

Under the program the board is required to spend 75 per cent of its income for teachers' salaries. This year an adjustment was necessary and members decided Tuesday night to pay it in the form of Christmas bonuses. The bonuses will be added to the regular pay checks to be issued next Tuesday.

POLICE REMOVE NINE 'DEVICES' AS MAYOR ACTS

Punch Boards Confiscated Following Warning of Violation of Law

Nine punch boards for various types of merchandise were stacked in a locker in the police department Wednesday as a result of the drive being conducted by police to rid Circleville of these games during the holiday season.

"We intend to gather up all we can find," Police Chief William McCrady said.

Mayor W. J. Graham issued orders to the department to open a drive on punch boards after he received information outside interests were bringing them to Circleville for the Christmas season.

JOHN HAMILTON TO RETAIN JOB AS G. O. P. CHIEF

CHICAGO, Dec. 16.—(UP)—John D. M. Hamilton will be retained as chairman of the Republican national committee because its members think "Hamilton did the best he could," a United Press survey disclosed today.

As committee members prepared for the meeting tomorrow at which Hamilton will offer his resignation, the only open opposition to his retention came from Rep. Hamilton Fish of New York, who is not a member of the committee.

A nation-wide United Press poll showed there is no open opposition among committee members to the red-haired Kansan who was at the helm during the party's most disastrous defeat in history.

Fish, leader in Sen. William E. Borah's unsuccessful campaign for the G. O. P. presidential nomination last spring, was bitter against Hamilton.

He charged the Kansas leader "left a party deficit in excess of \$1,000,000 in spite of the fact that Republicans advocated during the campaign a balanced federal budget and a pay-as-you-go policy."

HUGE AIR LINER HUNTED THROUGH MOUNTAIN AREA

Dense Fog Hinders Party Seeking Group Lost Over 24 Hours

CRASH THOUGHT CERTAIN

Big Express Heard Circling Over Small Village

SALT LAKE CITY, Dec. 16.—(UP)—Hope for the lives of seven persons missing 24 hours in a giant air liner was abandoned today. A fleet of planes resumed the search at dawn, expecting to find the wreckage and the bodies in the snowy wilderness of the Wasatch mountains.

That the plane had crashed seemed certain, because, if it made a forced landing in some isolated spot without injury to its occupants, there had been time for them to reach a settlement. Even the possibility that some or all the occupants had escaped death in the crash dimmed with each passing hour without word. The weather was cold, the ground was slick, and there were threats of heavy snow storms, making it unlikely an injured person or persons could have survived.

Plane Long Overdue

The plane, a fast transport operated by the Western Air Express and flying between Los Angeles and Salt Lake City, was due here at 6:10 A. M. EST yesterday. It carried four passengers and a crew of three, including Miss Gladys Witt, the stewardess, who was heroine of a recent romantic incident that attracted wide attention. A pilot and a San Francisco business man had been rivals for her hand.

There was some reason to believe that the liner crashed into the granite sides of Mount Timpanogas, highest peak of the Wasatch, 40 miles south of Salt Lake City. Chief Pilot C. N. (Jimmy) James of Western Air Express, led air and ground searches into its vicinity at dawn. Fog and overcast skies slowed the search.

James said he believed a sudden shift of wind may have forced Pilot S. J. Sampson off his course after the plane's last report early yesterday morning and sent it crashing at 200 miles an hour into the mountain. The plane's last report gave its altitude at 10,000 feet.

A powerhouse operator at Alpine reported having heard a plane's motors at 4 a. m. that faded away toward the more than 11,000,000-foot peaks of Wasatch and Mt. Timpanogas.

Throughout the night company searchers checked all telephone stations out of Alpine and other towns.

James and Fred Kelly, another pilot, passed over the same route Sampson was flying on their regular schedules less than two hours before. The weather was clear then and conditions perfect. The only possible explanation they could offer was that the veteran Sampson, who has more than 7,000 hours of flying to his credit, (Continued on Page 3)

EDUCATION OFFICIALS RESUME FIGHT FOR MORE SALES TAX MONEY

HOUSE LEADERS SEE APPROVAL OF STATE BILL

Educators Claim Amount Allotted \$4,000,000 Below Needed Sum

SUB-DIVISIONS HURT, TOO

Complete Taxation Program Drafted in Assembly

COLUMBUS, Dec. 16—(UP)—Education officials, faced with a \$5,600,000 shortage in the school foundation program, prepared to fight the proposed distribution of sales tax funds contained in the administration's \$68,000,000 tax program when it comes before the house for action today.

The house also was scheduled to consider the amended and revised Boyd-McIntyre bill, passed by the senate last week. House leaders consider passage as certain.

The sales tax bill, approved by the committee last night 14 to 3 after a heated, day-long debate between school and city officials, allocates 60 per cent of the anticipated \$50,000,000 revenue to the schools and 40 per cent to local government after deduction of \$10,000,000 for poor relief and \$3,500,000 for administration of the tax.

Need \$26,000,000

Under this plan, the schools will receive about \$22,000,000 and local governments \$14,600,000 in 1937. Earlier in the day, however, education officials said they would need a minimum of \$26,000,000 if the foundation program were to remain intact.

The original bill provided a flat \$27,500,000 for the schools but was changed when local government representatives pointed out this would leave the political sub-divisions only \$6,000,000. \$11,000,000 less than they received in 1936.

A compromise proposal to draw up a separate bill diverting \$6,000,000 from automobile license funds to the schools and sub-divisions was abandoned when Rep. Stanley G. McKie, R., Hamilton, reported a check-up of house members showed any such proposal would promptly be rejected.

"Nothing except the 60-40 distribution can pass the house," he said. "It's a matter of talking that or letting the whole tax program die."

P. E. Ward, R., Geauga, chairman of the taxation committee, had hoped to have the bill ready in time to present to the house for consideration last night. House members, however, apparently determined to pass on the unemployment bill before consideration of the tax program, recessed until 1:30 p. m. today after convening for about five minutes.

Program Complete

The complete tax program, as it will be presented to the house today, contains the following revenue-raising measures:

1. "Use" tax bill—\$500,000.
2. Cigarette tax bill—\$6,343,828.
3. Admission tax bill—\$1,500,000.
4. Liquid fuel tax bill—\$10,000,000 to \$11,000,000.
5. Sales tax bill—\$50,000,000.

The committee also recommended passage of the so-called amended Hess Bill, providing for the return of delinquent tax collections to the sub-divisions in which they were collected. At present, the taxes go to county funds.

Amendments to the sales tax bill adopted by the committee provide for exemptions on the following:

1. Food sold in cafeterias and fraternities and sorority houses patronized only by students.
2. Feed for livestock.
3. Crude oil and natural gas production equipment.

A proposed amendment to tax ice cream sales was defeated.

Roy Reeser, 35, former Circleville resident, was in Columbus city prison Tuesday awaiting removal to Montgomery, Ala., to continue a life sentence for first degree murder.

Plane Over American Fork

Residents at American Fork, a small town south of here, reported a plane circled there around 4 a. m. Samson, forced off his course, may have mistaken the lights of American for some other city on his regular route and sped on into the side of the mountain.

All emergency landing fields along the route have been checked, the company reported. Army trucks roared out over mountain trails under orders from authorities at March field to aid the search.

Samson took off from Los Angeles on his regular run Monday night. With him were the co-pilot, William L. Bogen, former army flier, and Miss Witt. The passengers were Mr. and Mrs. John Wolf of Chicago, H. Edwards, Minneapolis radio engineer for Northwest Airways, and C. Christopher of Dwight, Ill.

Miss Witt, an attractive girl, had won the hearts of Erich K. Balzer, of San Francisco and Pilot James Roe. They raced to Kansas City to see her and propose first. Later Miss Witt announced that she would not marry Balzer and that she and Roe "were still very good friends".

GIRLS RESPOND BEST BUT BOYS BETTER DRIVERS

Girls are surpassing the boys in their traffic lessons but they are not as good in the driving tests, State Patrolman C. A. Cover said Tuesday after approximately 90 took the examination.

"The girls answer the questions as if they had them memorized," Cover said. "The boys have the answers but they put them in their own way and as a general rule they are the best drivers."

Only eight failures were reported by the patrolman showing the percentage of failures is decreasing with every examination.

The examinations Tuesday were conducted by Patrolmen Cover and J. L. Hanley, both of Columbus headquarters of the State Highway Patrol.

The Rev. Mr. Morris has been minister of music at Middletown and has a wide experience in directing large choir choruses and solo work. Mrs. Morris was instructor of music in Taylor university for several years, and is a contralto of rare ability.

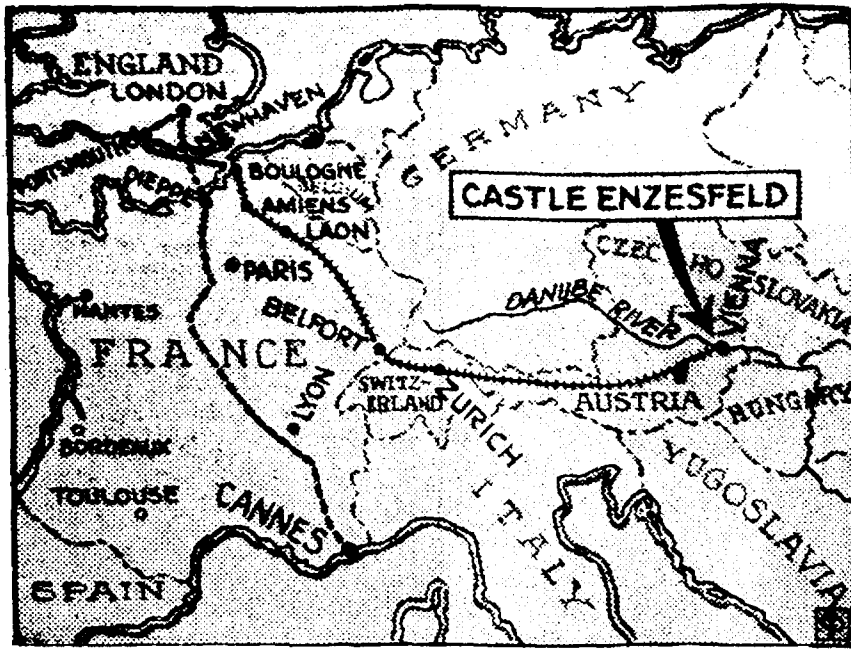

The Rev. Mr. Sayre said it would be the aim of the movement to get every Methodist family represented in church each Sunday, and more definitely aligned with the complete program of the church at large.

Bible Class Entertains Choir At Yule Party

Musical, Dramatic
Program Planned
for Evening

The regular meeting of the Westminster Bible class of the Presbyterian church was held in the social room of the church Tuesday at 7:30 o'clock.

A short business meeting was held with Mrs. William Mack, president, in charge. It was decided to join with the Missionary society in an all-day sewing, on Friday, Jan. 8.

The members of the church choir were asked to be guests of the class, and they joined the meeting at 8 o'clock. Franklin Price, a member of the choir, sang two numbers, "Flying Cloud," by John Barnes Wells, and "There's a song in the Air," by Oley Speaks. Miss Abbe Mills Clarke offered a very sympathetic accompaniment.

The second number on the program was a Christmas play, "The Dust of the Road," given by members of the local high school, under the direction of Roy H. Bowen. The cast included John Rankin, Harriet Harman, Frank Barnhill, and Edmund Bach. The play was short, but very impressive.

The members and guests, then took their places at long tables, and enjoyed several rounds of Bingo, prizes being given to Mrs. Will Graham, Mrs. Clark Will, and Dr. Frederick Schaeffer.

Light refreshments were served from a lace-covered table, attractive with silver service and glowing red candles. A centerpiece of Christmas greens completed the decorations. Many toys were contributed for the Christmas toy distribution, and money to purchase several dolls for the firemen was received.

D.A.R. Meeting

The December meeting of the Pickaway Plains chapter of the Daughters of the American Revolution was held Tuesday afternoon in the Coffee Shop.

The regent, Mrs. G. P. Hunsicker, opened the meeting, using the D.A.R. ritualistic service. A short business session followed.

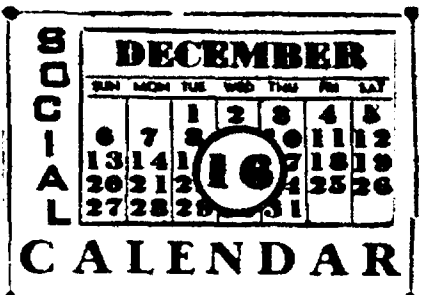

Two interesting papers were presented, Early American Silver, and Silversmiths, by Mrs. Beryl Stevenson, and Early American Pewter, by Mrs. Emmitt Crist. Old American silver and pewter pieces were exhibited by the chapter members.

A social hour followed and refreshments were served by the hostesses, Mrs. W. T. Ulm, Mrs. Rea Bales, Mrs. C. D. Closson, Mrs. Charles Gerhard, Miss Charlotte Phelps, and Mrs. Harp Van Riper.

Children's Party

The annual Christmas party for the members of the Child's Conservation League and their children was held Tuesday afternoon, in the Trustees' room of the Public Library. The room was gay with evergreens, lighted Christmas trees, and candles and afforded an appropriate background for the afternoon's entertainment.

A real "Our Gang" comedy picture was provided for the children, and was followed by the singing of Christmas carols. At the close of the program, refresh-

LION-OR LYING?

Lecturer (to pop-eyed listeners): "We were in the heart of the densest jungle. Suddenly there came an ear-splitting roar! I whirled, and there stood a magnificent lion, weighing at least 1,500 pounds. I quickly rolled up my sleeve, and as he charged, I tripped him, and captured him alive."

Listener: "What do you do for a living?"

Lecturer (modestly): "Why, I'm a lion hunter."

Listener: "Spell it, please."

OHIO COLLEGES BEGIN BOYCOTT OF AKRON UNIVERSITY'S VARSITY TEAMS

RESERVE SEEKS LAURELS

Basketball Team Expected to
"Go Places"

ALLIANCE, Dec. 16 — (UP) — Mount Union today became the third Ohio conference to institute a schedule boycott against the University of Akron as a result of its expulsion from the league.

Mount Union followed the example set by Muskingum and Wooster, when its Board of Athletic Control cancelled the two basketball games scheduled with Akron for Jan. 12 and Feb. 16 and announced it would discontinue all athletic relations.

With the cancellations by Muskingum, Wooster and Mount Union, only three Ohio conference schools remain on Akron's current basketball schedule. The teams which declined to act against the Zippers were Kent State, Toledo and Baldwin-Wallace.

COLUMBUS, Dec. 16 — (UP) — Western Reserve, one of a handful of schools to finish the past football season undefeated and untied, today sought new athletic laurels as it opened 21 game basketball schedule.

Reserve meets a weak Adrian, (Mich.) team at Cleveland tonight in a contest that tops a six-game program of Ohio teams.

Although the Red Cats have what appears to be a "soft touch" in Adrian it is the only easy contest on the Reserve card. After tonight the quintet of Coach Roy Clifford goes after major foes.

The Red Cats will meet Ohio University, Cincinnati, Ohio Wesleyan and the University of Dayton from the ranks of the Buckeye conference; and tackle John Carroll, Baldwin-Wallace, Case and Toledo of the Ohio conference. "Big time" schools also dot the Western Reserve schedule. Major opponents will be Nebraska, Stanford, City College of New York, Syracuse and Notre Dame.

The Reserve team will be built around Frank (Doc) Kelker, the giant Dover Negro, who also was a big cog in the Red Cat grid successes.

A football injury to Johnny Andrews and the necessity of Jim Bankert, another likely looking sophomore candidate, to pass up court competition because of a heavy classroom schedule, have weakened the squad considerably.

PITTSBURGH, Dec. 16 — (UP) — The Pittsburgh Panthers will start their fourth journey to the Rose Bowl football game at Pasadena, Calif., at 7 p. m. after a week of indoor drills in Hunt armory.

The squad of 34 players and three coaches will arrive in California in time for 10 days of drills in the California climate before meeting the Huskies of Washington university.

PURDUE UNIVERSITY has lost All-American Bob Kessler, top scorer in the Big Ten last year—a fellow who averaged a fraction better than 13 points per game—but Purdue again is in the driver's seat for another Big Ten championship.

Conference games don't begin until Monday, Jan. 4, but forecasters can't be far wrong in stringing with Ward Lambert, who happens to be the coach of the Purdue team.

Lambert started coaching Purdue teams back in 1919, and in the intervening years he has come up with nine championships and co-championships. His Big Ten record stands at 150 games won and 57 lost for a swell percentage of .724. He has had championship teams the last three years, last year sharing the crown with Indiana.

BOB GROVE AND
FELLER RATED
HIGH IN LEAGUE

NEW YORK, Dec. 16 — (UP) — For the second consecutive year Robert Moses Grove, lanky Boston Red Sox left-hander, was the most effective pitcher in the American league, according to official 1936 averages released today.

Pitching with a sixth-place team, Grove, in 35 games, had an earned run average of 2.81 per game—the only pitcher on the circuit to better the three run mark.

They started to write Grove's baseball obituary after the 1934 season when, playing his first year with Boston, Lefty suffered a torn ligament in his throwing arm and won only eight games. But last year the 34-year-old star came back to lead the circuit with an earned run yield of 2.70. His 1936 performance marked the seventh time in 12 seasons he has been under the three run level and the seventh time he has led the league.

Grove pitched 253 innings, won 17 games, lost 12, yielded 237 hits to 963 batters, struck out 130 and walked 65.

Young Bob Feller of Cleveland, the 18-year-old high school star, was the second most effective man in the league.

diana and the year before with two others.

Naturally, Lambert sits on the bench. But his grand record speaks for itself.

Kessler Big Loss

It was tough to lose Kessler, for the lad was a brilliant player and a great shot. And it was tough to lose Ed Elliott, center, and Austin Lambert, guard. But Coach Lambert lost great stars in other days, and still came back. He is ready to do that this year, although Indiana again appears strong and has lost nothing by graduation.

As a nucleus of his team this year (and the boys have done well in early games) Lambert has James Seward, co-captain and center, who stands six feet five; Glen Downey, co-captain, who alternates

James Seward

Pat Malaska

at forward and guard, and who stands six-one, and Pat Malaska, guard, who was burned in that shower room explosion but is getting back into his old form.

Downey, who hails from Michigan, and Malaska, whose home is Crawfordsville, both made the all-Big Ten honor team last year. Malaska is the smallest man on the squad.

Sines Shines
Jewell Young of Lafayette, a forward, and his running mate, Johnny Sines, also of Lafayette, have flashed the best form of all the Boilermakers to date, and it appears they will carry the brunt of the scoring offensive. Both were outstanding in the opening game against a strong Western State Teachers college team, which Purdue won, 57 to 23.

Outside of their Big Ten schedule, Purdue has plenty to worry about, but should get by their non-conference foes.

As of last year, the Boilermakers plan to use the speed offensive break, with dead shots ready to whisk the nets with amazing rapidity. The Purdue team last year averaged 42 points per game in Big Ten play. To average that, you must agree, you can't stand there winging at the referee.

JIMMY HEFFNER
ON GRUNT CARD
MONDAY EVENING

Jimmy Heffner, of Sherman, Texas, will headline the wrestling-boxing contest next Monday evening in the Athletic Club gymnasium.

Heffner, 180-pounder, and rated as one of Al Haft's best, will be pitted against Joe Parelli, tough Italian.

The other grappling contests will feature Eddie Watson, 155-pound Circlevillian, against Henry Hill, 160, of Kansas City, Mo., and Babe Caddock, roughneck who lost to Leo Jensen, meeting Frank Hill, of Carbondale, Ill. Hill won his match last week against George Bernard, of Boston.

Boxing gained a foothold this week as a result of the hot Homer Patrick-Eddie Bird fight, so C.A.C. promoters are listed two fights for next week.

Patrick, who whipped Bird, will go in with Shirley Hulse, popular Jackson township youngster, at 125 pounds, and Jimmy Emerine, clever 112-pound southpaw, will put on the gloves with Jimmy Seimer, 112 of Jackson township.

Clete Kaufman, ex-wrestler and right hand man of Al Haft, will referee the wrestling bouts, while Ralph Wallace, who did a good job Monday evening, will handle the boxers.

Contrary to common belief, it is not against the law to wash and mend the American flag.

Cox Only Veteran

It'll be "stop Jacques Cox and you stop the Chillicothe cage varsity" Friday evening when the high school team invades the Ross county metropolis. — Cox, center, fast and alert, is the only letter man returning from last year's good team. — He has been elected captain. — Higley, Jones, Strausbaugh, Sommers and Trainer, last year's varsity stars, have graduated; Williams and Arledge coming up from the reserves, have left school; Ludwig did not report for basketball; Scaggs is ineligible, and Hurst has a hip injury suffered in football. * * *

"Very" Important Word

While Coach Ross Young, of Chillicothe, would cry "wolf" even if he had the Purdue varsity squad to pick from, it would seem he has lost some good cagers. — His prediction for the year is: "very small, very short, very light, very inexperienced," but we might add "very many to pick from." * * *

County Schedule

The county program Friday evening includes New Holland at Muhlenberg, Deer creek at Ashville, Walnut at Salter creek, Pickaway at Monroe, Jackson at Scioto and Perry at Darby. — Washington township is not scheduled in the county. * * *

Chillicothe Refused

Chillicothe's hopes for getting into the Central Ohio League were blasted by unexpected action by Marietta. — The river school, at first favored the Ross counties, but its officials changed their minds and voted against the entry. — Zanesville, Newark, Cambridge and Coshocton voted no, while Lancaster was in favor of the addition. * * *

Smith to West Point

Inwood Smith, Ohio State's great guard of the last two grid seasons and a prominent All-America choice in 1935, purportedly is considering an appointment to West Point. — He would be eligible for additional football with the Army team. * * *

Finally a Captain

Steuvenville, high school, perennially one of the top-ranking Ohio scholastic football powers, will have a grid captain next season for the first time in 11 years. — Jack Roe star guard, will lead the team. — Since 1926 when Tiny Reducha was the field leader, Coach Charley Cartledge has appointed the captains. * * *

CONTRACT BRIDGE

ANOTHER MIAMI GRAND

YESTERDAY we had a grand slam contract from Miami, which the declarer knew in advance could only be made provided a simple squeeze could be made of opponent at his right. Today we have an equally ambitious contract, undertaken by one of Miami's best players, Mr. James Hunter, sitting South in a duplicate game, and risking a very high contract, in an attempt to obtain a top score on the deal. The bidding opened with 1-Diamond by North, jumped to 3-Hearts by South, and the 5-No Trumps call used by North—a bid seldom heard in this part of the country from experts—after which South bid 7-Hearts.

to let go his fifth diamond and then his lowest club, declarer led one of his two remaining trumps, forcing West to let go his second diamond, in order to preserve his four diamonds, to stop the run of that suit. East let go his lowest club, being obliged to retain his top spade. Dummy's lowest club was discarded. Declarer's last trump was led. Now it became evident that West had diamonds stopped, when that player let go a third club, so dummy's fourth diamond was discarded. East let go his lowest diamond. At the ninth trick the Q of diamonds was led. After that the four cards held by each player were as shown in the diagram below, with a perfect double squeeze closing in.

Declarer knew just what cards opposed him, and who held them. He led his last diamond. Dummy's K won. East had to keep his good spade, and let go his lowest club. The Ace of diamonds was led. If East let go his top spade, the 7 in dummy would be good, so East let go his lower club. Declarer let go his lowest club. When the J of clubs was led from dummy, both East's Q and West's K were picked up with declarer's Ace, leaving his humble 3 of clubs to win the thirteenth trick. It was fine work.

The opening lead was the 10 of hearts. Declarer's Q won. Two more rounds of trumps were taken, leaving declarer in his own hand. The K and Ace of spades were played, then declarer ruffed a low spade at the sixth trick. East had been able to follow suit on both the three heart and three spade leads, but West had

APPEALS COURT UPHOLDS ADKINS IN CROSS CASE

Ruling 90 Shoats Belong to Gilbert Dowden Receives Support

SQUIRE LAND IS SOLD

196 Acres in Northern Part of County Bring \$9,060

Decision of Judge J. W. Adkins of common pleas court in the case of the Columbus Production Credit Association against Carl Cross, and others, involving the title of 90 shoats, was affirmed by the Court of Appeals Tuesday.

Gilbert Dowden, Wayne township, contended he owned the shoats on which a levy was taken on a judgment, under a additional sale contract.

Judge Adkins held in favor of Mr. Dowden.

Addie Thorne Squire, Ashville, purchased approximately 186 acres of Scioto township land sold Tuesday by the sheriff's department in her partition suit against Jacob R. Thorne, deceased and others.

The sale price was \$9,060 or about two-thirds of the appraised value. This case had been filed in common pleas court in 1932.

The property included four tracts with appraisals ranging from \$40 to \$75 an acre.
